

Year 3 ~ Autumn Term Curriculum Page

Literacy:

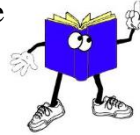

Narrative writing:

Focus on authors Denis Bond, Raymond Briggs and Chris Van Allsburg.

Read and respond to a variety of texts by the same author and write in the style of an author.

Instructional Texts: we will be following, reading and writing instructions.

How you can help at home: reading regularly boosts both your child's reading and writing. Please support your child in learning their spellings and completing homework tasks.

Art/Design and Technology:

Topic: looking at art left behind on cave walls and what clues they give us to life in the Stone Age.

Design and Technology: Stone Age dwellings – designing and making a stone age dwelling.

Geography:

- Settlements and land use – what did the people of the Stone Age do and where did they live?

The Stone Age!

Numeracy:

This term we will be focusing on Place value, addition and subtraction, multiplication and shape.

How you can help at home: please encourage your child to complete all homework tasks and to practise their rapid recall of times table facts.

Computing:

2diy : designing our own games. The children will have access to 'Purple Mash' at home where they can continue to design their own games.

Coding: developing children's knowledge of computer programming.

History:

In year 3 we will be studying the Stone Age

We will be looking at:

- What life was like during the Stone Age
- Developments that were made
- Food and drink
- Clothing
- Housing
- How life changed during this time.

R.E

We will look at the domestic church and family. We will explore how God is present in every home and how this is expressed in the love that binds the family together through good and bad times. We will also look at the promises made at Baptism and Confirmation and how they are the call to a new way of life.

Science:

- Rocks!
- Forces and Magnets!

P.E

Mr Bennett: Throwing and catching skills applied to team games.
Miss Kay: Dodgeball
