

Literacy

We will be learning the story of the Pied Piper of Hamelin. Then, we will be changing parts of the story to write our own version.

We will continue to practise our spelling, grammar and handwriting.

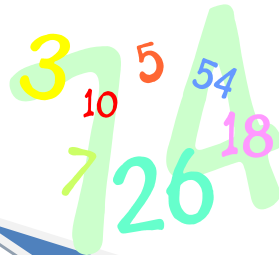

In shared reading, we will be looking at a non-fiction text. The skills we will be developing, will be skimming and scanning.

Computing

We will be using the Ipads and iMovie to retell a story or event using moving images.

Numeracy – We will be learning to:

- Convert between measures of length and mass.
- Convert analogue to digital time
- Convert 12hr clock to 24hr clock
- Measure and calculate perimeter
- Solve word problems
- Practise written calculations.

Science

We will be studying animals and their habitats. We will find out about food chains and ways to classify living things. We will visit habitats at Bolton Environmental Centre.

We will also learn about the water cycle.

Geography- Llandudno

We will be studying a contrasting locality, Llandudno. We will look at which features make it different to Bolton and in what ways it is similar to Bolton. We will be considering what leisure opportunities there are in Llandudno.

RE

We will be learning about Judaism. We will also be learning about Pentecost.

PE

Our PE sessions are taken by outside support, and are on Monday afternoon, and Friday afternoon.

PSHE & SEAL

Achieving our class mission.
Setting personal goals.
