

**Science:**

**Animals, including Humans**

Investigate how water and nutrients are transported in the circulatory system and recognise the impact of diet, exercise, drugs and lifestyle on how their bodies function.

**Topic: Vikings vs Anglo-Saxons:**

Viking and Anglo-Saxon struggle for the kingdom of England and how England became a unified country. We will explore where the Anglo-Saxons and Vikings came from, how they fought for territory and power, and how their fighting ultimately led to the kingdom of England we know today.

**Art:**

Impressionism: Claude Monet

**P.E. REMEMBER TO BRING YOUR P.E. KITS!**

First half-term: pupils will develop further their gymnastics skills

Second half-term term: tactical skills through invasion games.

**Computing:**

Use I-pads and computer programs to create games, including obstacles  
Coding

**Y5 SUMMER TERM 2018**

**Literacy:**

**Read : 'Who Let the Gods Out' by Maz Evans**

IN SCHOOL WE WILL: Write in a range of genres, including fantasy, persuasive writing letters, narrative, instructional text, biographies, diaries and poetry

AT HOME YOU CAN: Consider/discuss the importance of spending 'quality' family time with your family

Together, use an atlas, the Internet, and library resources (maps) to locate the places discussed in the book.

Help your child to research nature reserves and the preservation of endangered species.

**Mathematics:**

Number and place value

Decimals, percentages and their equivalence to fractions

Mental addition and subtraction

Written addition and subtraction

Mental multiplication and division

Geometry: properties of shapes

Measurement

Statistics

Written multiplication and division

**R.E.:**

Celebrate the Spirit's transforming power

Learn that the Commandments enable Christians to be free & responsible

Learn that the Church is called to the stewardship of Creation

**Music:**

Benjamin Britten's Friday Afternoons: A Tragic Story.
