

In reading we will be focusing on Who Let the Gods Out by Maz Evans.

During shared and guided reading we will be focusing on...

Find and copy questions and true and false questions.

We will be writing a number of different genres including, Adventure narrative, Non Chronological reports, Fables, Play scripts, Myths, legends and biographies.

We will be concentrating on suffixes and prefixes this term in our spelling lessons.

In grammar we will be looking at word classes, colons, semi colons and recapping on different sentence types

In RE we will be focusing on ourselves and why we are special, life choices and hope. We will hopefully become more reflective and be able to understand why each person is special.

PE days are Monday PM and Friday AM. Please ensure Kit is in school.

In maths we will be focusing on place value, addition, subtraction, multiplication and division.

We will be looking at explaining answers with reasoning and improving or problem solving ability.

Year 5

Autumn Term

Curriculum Map

2018

Our celebration assembly where you can hear about our learning is on the 30th November.

Our topic this term is the Ancient Greeks. We will be looking at timelines, Gods, and everyday life in ancient Greece.

We will be linking lots of our writing and reading to this topic.

Our two separate topics in science this term will be materials and Living Things. We will be focusing on whether materials can interchange and whether certain process can be reversed. We will focus on what makes a good habit for a certain creature and why they might adapt to a certain habitat.
