Sacramental Programme 2018 - 2019

Dear Parents/Carers,

The first Sacrament the children will receive is the Sacrament of Reconciliation (First Confession) on the 21st March 2019 followed by 1st Holy Communion on the 23rd June 2019. The children will need to prepare for these and as parents/carers you will need to know how to support them. There are various preparation meetings for children and parents (as per the attached programme) and it is extremely important for both parents and children to attend these meetings so the children are fully prepared.

Thank you for your continued support.

Yours faithfully

Fr Morrigh
