Year 6

Summer term

Art-Impressionists

In art we are learning about the famous Impressionist artist Claude Monet. We will be studying some well-known impressionist pieces. The class will try to recreate Monet's Haystacks and Sunset paintings. We will write a biography/fact file about the famous artist.

PE

- Striking and fielding-cricket and rounders
- Outdoor sports residential
- Athletics (KS2 sports day)
- Cricket World cup

Geography-Rivers

We will learn to: identify and describe the physical features of a river and how they change from source to mouth, use OS maps to find rivers and use fieldwork techniques to measure, record and present

ICT

- Coding: making apps & creating code to produce games
- Variables
