

## Literacy:

*Narrative writing:* we will be focusing on sentence structure, use of adjectives and adverbs.

*Instructional Texts and Non-Chronological Reports:* we will be following, reading and writing instructions and writing reports about dragons.

**How you can help at home:** reading regularly boosts both your child's reading and writing.

## Year 3 ~ Autumn Term Curriculum Page

## Art/Design and Technology:

**Art:** Eyes – this half term our topic will focus on eyes. Will be using drawing and painting skills as well as clay to sculpture our final product.

**Design and Technology:** Pneumatics – the use of gasses to make an object move.

## Geography: Earthquakes

- Earthquakes – we will be investigating why earthquakes occur and the impact they have on our world.

## The Stone Age!

## Numeracy:

This term we will be focusing on Place value, addition and subtraction, multiplication and shape.

How you can help at home: please encourage your child to practise their rapid recall of times table facts.

## Computing:

**Internet Safety:** we will continue to develop the children's understanding of how to keep safe online.

**Coding:** developing children's knowledge of computer programming.

## History: The Stone Age

- What life was like during the Stone Age
- Developments that were made
- Food and drink
- Clothing
- Housing
- How life changed during the time.

## R.E:

We will look at the domestic church and family. We will explore how God is present in every home and how this is expressed in the love that binds the family together through good and bad times. We will also look at the promises made at Baptism and Confirmation and how they are the call to a new way of life.

## Science:

**Rocks!** – Can the children find rock in everyday life? Bring any interesting rocks into school.

**Forces and Magnets!** – What is a push and a pull? How do magnets work?

## P.E

Mr Taylor: Throwing and catching skills applied to team games.

Miss Murphy: Yoga
