Sacramental Programme 2019 - 2020

Dear Parents/Carers,

The first Sacrament the children will receive is the Sacrament of Reconciliation (First Confession) on the 19th March 2020 followed by 1st Holy Communion on the 21st June 2020. The children will need to prepare for these and as parents/carers you will need to know how to support them. There are various preparation meetings for children and parents (as per the attached programme) and it is extremely important for both parents and children to attend these meetings so the children are fully prepared.

Thank you for your continued support.

Yours faithfully

Fr Morrourh
