Year 2

Spring

## D & T

We will be designing and making our own pizzas.

We will taste different breads to decide which would make the best pizza base

## SCIENCE: Uses Of Everyday Materials

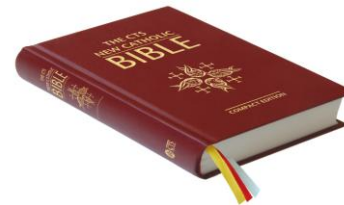

Children will learn to:

- identify uses of different everyday materials
- explain how the shape of objects made from some materials can be changed.
- investigate the best material for a specific use.
- find out about people who have invented new materials.

## GEOGRAPHY: Where does our food come from?

We will be looking at where our dairy food comes from and the effects of sugar in our diet.

## RE

Our topic is Books. The children will learn about:

Different books used at home and in school. The Bible. The Gospels.

The parish family listens to God's Word in the Gospel.

A story from the Gospel of Matthew. Other books the parish family uses. Using books to respond to the Mass.

## PSHE & SEAL

We are all different; we are all unique.

Working together as a class.

Prepare for Lent in worship.
