

Our class novel is 'Simply the Quest' by Maz Evans. During shared and guided reading we will be focusing on:

- True/False
- Fact/Opinion
- Give one piece of evidence
- 3 mark questions

In English we will be exploring a number of genres such as:

- 1st person narrative
- Recount
- Newspaper articles
- Stories for other cultures

In RE we will be learning about Gods mission. Community and how we can support others through charity.

Please ensure that your child reads every night to maximise their progress and help them reach their potential.

15 minutes reading 6 times a week adds up to more than 78 hours more practice per year!

In Maths we will be focusing on fractions:

Starting by looking at how to find equivalent fractions, then moving on to understanding improper fractions and fractions of amounts.

We will also learn how to add and subtract fractions.

In Design Technology we will be focusing on Bread. Looking at how it's made and evaluating existing products.

In Geography we are learning why mountains are so important.

In Science we are looking at electricity. Making and testing our own circuits.

Mrs Shepherd's Year 5 Spring 1 Curriculum Map 2020

In computing we will be looking at spreadsheets

We will be continuing our French work with Mr Armstrong moving away from naming words and numbers and into writing sentences.

PE is on a Friday AM. Please ensure Kit is in school.
