

Dear Parent/Guardian,

As part of our topic 'Weather and the local area' we will be visiting Haslam Park to explore the environment. The class will be split into three groups and will visit the park on either Tuesday, Wednesday or Thursday. Children will need suitable footwear and a waterproof coat so please ensure these are in school for the three days. If you are bringing in wellies these need to be clearly labelled in a plastic bag. Please sign the consent list at the office or in class to say that your child can attend.

Thank you

Mrs Ritchie, Mr Armstrong & Mrs Marsh
