Designated Teacher for CLA – Mrs Mandy Messham
Governor with responsibility for CLA – Mrs Karen Baxendale

The governing body is committed to providing quality education for all its pupils based on equality of access, opportunity and outcomes. This policy pays due regard to the guidance set out in 'Promoting the Education of Looked After Children' (2014)

The aims of the school are to:

- ensure that school policies and procedures are followed for CLA as for all children
- ensure that all CLA have access to a broad and balanced curriculum
- provide a differentiated curriculum appropriate to the individual's needs and ability
- ensure that CLA pupils take as full a part as possible in all school activities
- ensure that carers and social workers of CLA are kept fully informed of their
- child's progress and attainment
- ensure that CLA are involved, where practicable, in decisions affecting their
- future provision.

Who are Children Looked After?

Under the Children Act 1989, a child is looked after by a local authority if he or she is in their care or provided with accommodation for more than 24 hours by the authority. They fall into four main groups:

- children who are accommodated under a voluntary agreement with their parents
- children who are the subjects of a care order or interim care order
- children who are the subjects of emergency orders for their protection

- children who are compulsorily accommodated – this includes children remanded to the local authority or subject to a criminal justice supervision order with a residence requirement .

The term 'in care' refers only to children who are subject to a care order by the courts under section 31 of the Children Act 1989 - they may live with foster carers, in a Children's home, in a residential school, with relatives or with parents under supervision. Children who are cared for on a voluntary basis are 'accommodated' by the local authority under section 20 of the Children Act – they may live in foster care, in a Children's home or in a residential school. All these groups are said to be 'Children Looked After' - CLA. They may be looked after by our local authority or may be in the care of another authority but living in ours.

Admissions

Children Looked After who are baptised Roman Catholics, come under criterion 1 of our Admissions Policy. CLA are also given preference within the 'Other Children' criterion.

Inclusion

This policy recognises that all pupils are entitled to a balanced, broadly based curriculum. Our CLA policy reinforces the need for teaching that is fully inclusive. The Governing Body will ensure the school makes appropriate provision for all CLA pupils.

Allocation of resources

The Governing Body will ensure that the school allocates resources to support appropriate provision for CLA, meeting the objectives set out in this policy.

Monitoring the progress of CLA

The social worker for the CLA should initiate a Personal Education Plan – PEP - within 20 days of joining the school, or of entering care, and ensure that the young person is actively involved. It is vital that the school assesses each CLA's attainment on entry to ensure continuity of learning. The school will monitor and track the achievement and attainment of all pupils at regular intervals. CLA will require their PEP to be reviewed, according to their needs, as initiated by the reviewing office or social worker, and the young person's views should be sought by the Designated Teacher and noted on the PEP.

Record Keeping

The Designated Teacher will know who are all the CLA in school and will have access to their relevant contact details including parents, carers and social worker. The Designated Teacher will also know about any CLA from other authorities. It is important that the school flags CLA status appropriately in the school's information systems so that information is readily available as required.

Staff Development

We encourage staff to attend courses that help them to acquire the skills needed to support CLA. Part of the Designated Teacher's role is to develop awareness of issues associated with CLA.

Partnership with parents/carers and care workers

At school we firmly believe in developing a strong partnership with parents/carers and care workers to enable CLA to achieve their potential. Review meetings are an opportunity to further this partnership working.

Links with external agencies/organisations

We also recognise the important contribution that external support services make in supporting CLA. Colleagues from the following support services may be involved with individual CLA:

- educational psychologists and others from Local Authority SEN services
- medical officers
- school nurses
