

Year 3 ~ Autumn Term Curriculum Page

English:

Narrative writing: we will be focusing on sentence structure, use of adjectives and adverbs.
Non Fiction Writing – we will be following, reading and writing instructions.

How you can help at home: reading regularly boosts both your child's reading and writing, please read daily for 15 minutes. Complete any homework tasks set on Seesaw.

Art/Design and Technology:

Art: sketching – we will be developing our sketching and drawing skills.

Design and Technology: Food – we will be evaluating, designing and making our own sandwiches.

Geography: Earthquakes

- Earthquakes – we will be investigating why earthquakes occur and the impact they have on our world.

The Stone Age!

Maths:

This term we will be focusing on Place value, addition and subtraction, multiplication and shape.

How you can help at home: please encourage your child to practise their rapid recall of times table facts by accessing Times Table Rockstars daily. Please also complete any Seesaw homework tasks set.

Computing:

Internet Safety: we will continue to develop the children's understanding of how to keep safe online.

Coding: developing children's knowledge of computer programming.

History: The Stone Age

We will be finding out:

- What life was like during the Stone Age
- Developments that were made
- Food and drink
- Clothing
- Housing
- How life changed during the time.

R.E:

We will look at the domestic church and family. We will explore how God is present in every home and how this is expressed in the love that binds the family together through good and bad times. We will also look at the promises made at Baptism and Confirmation and how they are the call to a new way of life.

Science:

Rocks! – Can the children find rocks in everyday life? Bring any interesting rocks into school.

Forces and Magnets! – What is a push and a pull? How do magnets work?

P.E

Mr Duckworth: Fundamental movements.
SAQ – speed, agility and quickness including circuit training.
