The Gingerbread man

Lost in the snow

The Gruffalo's child

Visits and Visitors

Visit to St Ethelbert's church

A visit from a chef to make pizza!

A visit to Haslam park

Spring 1

What we will learn

RE

In RE this half term we will learn about St Ethelbert's Church and our local area.

We will learn how to make the sign of the cross and say a simple prayer. We will continue to learn that God knows us and that we are all special.

We will learn more about what a celebration is and how people celebrate different occasions Baptism, weddings and birthdays.

Phonics

In phonics we will be continuing to develop our listening skills through songs, games and in our play.

We will be continuing phase 1 phonics using our 'Supersonic phonics friends' scheme.

Maths

In maths this half term we will be continuing to develop our skills with sorting and matching by colour shape and size.

We will beginning to develop our subitising skills – recognising when a 5 frame is full, empty or partly full. We will begin to recognise numerals 1, 2, and 3.

We will be focusing on positional language and direction (on, in , under, over and next to).
